Issue #32

The Grade 1, 2 and 3s are almost all back at school this week. Our class is not the same when someone is away. We continue to work on handwriting- printing and cursive. We are reading independently, with Miss Tracy, on our computers and with a friend or small group, looking for spelling patterns in Words Their Way and writing alphabet poems.

In science we are talking about the needs of plants and why animals are valuable to us. In social studies we started looking at Saskatoon and also reviewed the provinces, territories, and capital cities in Canada. In health we are talking about friendships. We are counting down to summer vacation and only have 29 days of school left!

Brownfield Recreation Centre

Call for help!

Traditionally the little league picnic is held the first weekend in June. Many people in our community look forward to this event and there has already been interest from local U11, U13, and U15 teams.

The Rec Board is looking for someone to help organize the ball portion of this event (being in contact with teams and preparing a game schedule), as we will have our hands full with organizing and staffing the concession booth.

If you are available to help, please reach out to a Rec Board member, we really hope to make this event happen this year!

In appreciation,

The Brownfield Rec Centre Board
