Spring Concert or Community Variety Show this Week

The students and staff have been working hard in preparation for this year's spring concert! Everyone is welcome. The concert is at 7:00 PM on Thursday, May 18th. Feel free to bring a dessert to share.

Staffing Update

I am thrilled to share that Mr. Matthew Gelderman has decided to join our teaching team for 2023-2024, taking on the part-time position advertised several weeks ago. Mr. Gelderman is passionate about learning and comes to Brownfield Community School with incredible subject-area knowledge, skill, and experience. Additionally, I am excited to share that Mrs. Sylvia Richardson will take on our Kindergarten program for the next school year. I am grateful for the extra dollars for 2023 -2024 from central office in support of small school principals. These dollars will enable us to increase teacher time in our school significantly.

CWAJHAA Badminton

Congratulations, Ava Webber and Hadley Faber, on representing our school in Red Deer last week at the CWAJHAA Badminton Championships. Ava and Hadley finished 3rd in their pool, advanced to the quarterfinals and lost. They finished tied for 5 out of 12 teams. Great work, girls!

If you have any questions or concerns, please get in touch with your child's teacher or me. My cell phone number is 587-282-0944, or you can always call me at the school at 403-578-2247 or email me at jfaber@clearview.ab.ca.

Sincerely,
Jason Faber

Grade 1, 2, 3 Classroom

The grade 1, 2 and 3 class continue to work hard, make progress and have fun! This week the grade 2 class is reviewing the cursive letters that they have learned so far just to make sure that they are forming them properly. The grade 1 and 3s wrote another joke, "What is a cat's favorite dessert? Mice cream!" The kids also reviewed what a noun is, what a verb is and today we talked about the 3 tenses that verbs can be in (past, present and future). We continue to do UFLI and the kids are absolutely on top of it!

In math we are reviewing and building skills. In science we are talking about the path and movements that objects make, soon we will get into the why of movement and social studies has been put on hold as we practice for the Spring Concert which is this Thursday at 7:00. We hope to see you then!
