### Elementary Track & Field

This year track and field will be held at Theresetta Catholic School in Castor on May 25<sup>th</sup>! We will be travelling by school bus from Brownfield leaving the school as soon as busses are in. Most children ordered lunch and will receive it in their groups. There will also be a concession operating throughout the day for additional purchases (so if you wish you can send some money with your child.) The children should be back with plenty of time to catch their normal busses for the ride home.

**Parents are welcome to attend and cheer on the students!**

### Field Trip Grade 4 – 9

It's that time of year!! The Junior Highs have been planning a camping field trip for the 4 - 9's to Rocky Mountain House! We are going to visit the historical site, do some hiking, and a variety of other awesome activities. Vehicles will be leaving after school on Monday, June 20 and coming back Thursday afternoon, June 23, 2022. Forms will be sent out in the next few weeks. We are looking for a few parent volunteers/drivers and some food donations (E.g. Muffins, cookies, cheese, etc.). Please contact Sylvia Richardson (403-575-9678) if you are interested in coming or helping out with a food donation.

### Principal's Message:

### XC Running Results

Congratulations to all of our runners who participated in the cross-country race in Camrose! It was a beautiful day, and our student-athletes performed admirably! Well done, and good luck to those running in Bashaw on Thursday!

### Looking Back

I joined the staff team in Brownfield in June 2019. I can hardly believe how quickly these three years have gone! It is a joy and a privilege to serve in Brownfield Community School. I am particularly grateful for the effort of staff, students, families and the community through the challenges of the pandemic. Brownfield Community School is emerging from the pandemic in a strong academic position. I believe our small class sizes and ability to reach out to individual students, paired with the commitment of our dedicated staff and families, worked together to ensure the disruption to student learning was minimized as much as possible. Thank you!

### Looking Forward

I am excited about the final cross-country race of the season, spring concert, elementary track and field, swimming lessons, final exams, and year-end field trips! Beyond this spring, I am very pleased about our budget for next year and am excited to be able to increase teacher time next year slightly.

If you have any questions, please don't hesitate to reach out. My cell phone number is 587-282-0944, or you can give me a call at the school, 403-578-2247, or send me an email at [jfaber@clearview.ab.ca](mailto:jfaber@clearview.ab.ca).

Sincerely,  
Jason Faber

This week we continue to work on our handwriting, cursive and printing, Words Their Way and reading. We are working on list poems this week-a list poem is where you take a topic (which is your title) and then list words or phrases that describe your topic. Next we will get into some rhyming and syllable poems. With 25 days of school I am having to be creative, my students' attention spans are shorter than usual so we do an activity for a little while, and then change it up- this is absolutely normal for this time of the year. Pushing my students to do more than what they are capable of just results in frustration and we do not need that. In math I have divided my groups into smaller groups just to give my students what they need and to focus on some areas that need some attention. In science and social studies, we are using our time to practice for the Spring concert and we also put some papers into our binders. . . this is always an adventure. Wednesday and Tuesday next week I am away on some professional development, but a substitute is all lined up and ready for a wonderful day with my students. Please watch the newsletter and Facebook for any updates- we have a busy next couple of weeks.

## Brownfield Recreation Centre

Call for help!

Traditionally the little league picnic is held the first weekend in June. Many people in our community look forward to this event and there has already been interest from local U11, U13, and U15 teams.

The Rec Board is looking for someone to help organize the ball portion of this event (being in contact with teams and preparing a game schedule), as we will have our hands full with organizing and staffing the concession booth.

If you are available to help, please reach out to a Rec Board member, we really hope to make this event happen this year!

In appreciation,  
The Brownfield Rec Centre Board
