**Wednesday, October 19<sup>th</sup>** - Building Families Night!

**Monday, November 14<sup>th</sup>** - Foundation and Council Meetings

## Principal's Message:

### Big Week!

This week is a **big week** at Brownfield Community School. On Monday night, we hosted our School Foundation and Council meetings. Thank you so much to everyone who was able to come out for these critical meetings. To make good decisions, I rely on input from our school community - these committees are essential to supporting the work of our students and staff. On Wednesday, we are hosting volleyball games after school! And, on Thursday, we are hosting a HUGE cross-country race down at Burma Park! If you're interested in helping out, please let me know!

On top of all these beautiful things - our students are working hard in class, learning new things and getting off to a great start. I am pleased with the energy, enthusiasm and effort our students show daily.

I've been thinking a lot about attendance to start the year. Throughout the pandemic, attendance was a big challenge. It wasn't easy to discern when to keep kids home and when it was ok for them to come. Our families and staff did a great job of being flexible and rolling with ever-changing circumstances. As we move forward, I want to stress the importance of consistent attendance. Attending regularly is a significant predictor of student success. I have instructed our staff team to work closely with families when students are absent beyond a sick day or two. Please let us know if you have planned absences, such as appointments and holidays.

If you have any questions or concerns, please reach out. My cell phone number is 587-282-0944, or you can always call me at the school 403-578-2247, or send me an email [jfaber@clearview.ab.ca](mailto:jfaber@clearview.ab.ca).

Sincerely,  
Jason Faber

Dec. 1<sup>st</sup> – Taco in a bag – J & A Richardson  
Dec. 8<sup>th</sup> – Hot dogs- Huber  
Dec. 15<sup>th</sup> – Donair's – Younger

Today is the 13th day that we have been in school! We have had a wonderful start to our year! We have 5 Grade 1 students, 5 Grade 2 students and 4 Grade 3 students for a grand total of 14. We enjoyed the first day of school with talking about our summer, organizing ourselves and then we got right to business on day 2! Miss Tracy did all of her assessments, so we have our learning groups all organized and are busy reading, writing doing phonics, grammar and learning spelling patterns. Our classroom is very much like a beehive, everyone working, doing what they need to do and there is buzzing. . . . lots of buzzing.

In math the Grade 1 and 2s are learning about money. We are counting money and also earning Class Cash by doing jobs in our classroom so we can shop in our Class Store! We will soon be going on a field trip to the TD Bank in Coronation to learn more about money (parents watch for the permission slips and more information coming soon). We are also doing a lot of counting and skip counting, adding and subtracting- there is a lot going on.

In science we are learning about scientists and how to properly do an experiment. We will be doing one today! In social studies we are learning about the continents and oceans of the world so that when we learn about other countries we know where they are and can compare them to Canada.

We have had a GREAT start to our year! Miss Tracy is excited about seeing how much we grow and progress this year!

Tracy Innes

### Brownfield Rec Center

Do you have a knack for organization? Do you like the satisfaction of turning a messy space into an orderly haven where everything has its perfect place?! We could use your help! We could also use some extra hands to move tables and chairs as we prepare for some interior updates to the paint and carpet in the hall.

### Rec Center organization work bee:

Friday, Sept 30, 1 p.m.
