### An introduction new Clearview Public Schools Board Chair, Guy Neitz

I grew up on a ranch south east of Botha and attended school there until 1981 when we moved to our current farm & ranch outside of Erskine. I inherited from my father a passion for horses, cattle and agriculture which has provided an abundance of life lessons and joys. I have a love for sports and my experience with school sports was a stepping stone to my lifetime involvement in the sport of Rodeo as a Tie Down Roper and Minor & High School Football as a coach. I am the beneficiary of many great coaches and mentors in my life and I always consider it a privilege, even after 27 football seasons, to be a positive influence to the young athletes in our communities.

Before returning to School to what is now BYU Idaho, I served a two-year mission in Hawaii for the Church of Jesus Christ of Latter-day Saints. It was in Idaho that Cheri and I met and started our life together. I spent another 3 and half years at school at RDC and University of Alberta studying Agricultural Economics. In 1993 with our son Ty in tow, and Kylie on the way we moved back to Stettler and the family farm and Shayla; came into the family soon after.

I really enjoy the opportunity to represent and serve the students, families and Clearview staff of the Erskine, Donalda and Stettler ward as their Trustee. As Board Chair I hope that I can meet and visit with even more of our Clearview family and community. I am one of seven dedicated and committed trustee's that embrace and promote our rural experience and the benefits that our schools and communities provide to our children's future.

Congratulations to “Bennett Harris” our student of the week! Bennett has shown great improvement in focusing and working hard in his classes. He is a kind and considerate young man. Bennett also has a ‘quirky’ sense of humor which makes him fun to teach and to be around. Congratulations!

**Grade 1/2/3 parents** – Please remember Ms. Tracy sends an email each week (to the email address you shared with the school) with what's going on in their classroom! Check it out!

**Halloween** – a fun time was had at the activities that were planned for E.C.S. – Grade 6 by the junior high class! There were many fantastic costumes and yummy treats were given out! Thank you to the junior high class for your planning and implementing the activities for the rest of the school, who were divided into groups of their cohorts!
