Principal's Message:

BBQ and Awards

Thank you to our school community for the big show of support for our students on Sunday! It was great to be together to celebrate the start of the new school year and our students' accomplishments from last year! Thank you to our School Foundation for providing the lovely lunch—it was delicious! And, of course, congratulations to all the award winners. We are proud of all of your accomplishments!

Burma Hills XC

Once again, we are hosting the Burma Hills XC race in the fall and are looking for volunteers. Shiana Younger (403-575-5130) has offered to be our volunteer coordinator—please let her know if you can help out in any way!

If you have any questions or concerns, please don't hesitate to contact your child(ren)'s teacher or me. You can reach me on my cell phone (587-282-0944) or by email (jfaber@clearview.ab.ca).

The grade 1, 2 and 3 class are having a 'special' day today, it is day 10 of school and we are waiting to see if Zero the Hero left us a note and/or a treat. As of 11:00 a.m. we still had not found a Zero the Hero note. Zero the Hero is a fun way for us to count up to day 100, Zero the Hero visits us every 10 days because he/she loves numbers that have a zero in them. The 100th Day of School is my favorite because it is usually in March when we need a little boost and we do lots of fun activities.

Right now we are doing some assessments that the Alberta government has asked us to do, they will be finished up this week. We are also working on grammar (nouns), doing some handwriting, working on numbers and data analysis, talking about the purpose of reading books (PIE- persuade, inform or entertain), fiction and non-fiction and learning about characters. In social studies we are learning about relative location, the four cardinal directions and what a map and globe are. In science we are learning about clouds just to finish the scientific process with our question about how clouds are made. We are having fun, learning and growing!

Garbage Co-Op (Brownfield)

The Brownfield Garbage Co-op has space for 1-2 families to be added to our Co-op. We have a garbage bin in our yard (centrally located in Brownfield) that magically is emptied every two weeks and we share the cost and convenience with a group of people. The cost does fluctuate based on fuel prices and trucking costs. At our last billing it cost about \$46 per month for each family involved. . Now one of our families has moved away. If you are interested in this service, please call or text Darolyn at (403) 578-8432 for more details.
