### Principal's Message

#### 4-9 Red Deer Field Trip

Last week, Mr. Gelderman organized a great field trip to Red Deer for our grade 4-9 students! I was able to tag along for part of the day, and we had so much fun! The climbing centre was a highlight for me - seeing the students try something new was so cool. Several of the staff members at the climbing centre remarked to me about how polite and attentive our students were - great job, everyone!

#### Report Cards and Interviews

Report cards were sent home last week, and our interviews were last night and tonight. If you cannot attend but would like to chat with a staff member, please let us know—we're happy to make something work at another time!

If you have any questions or concerns, please don't hesitate to contact your child(ren)'s teacher or me. You can reach me on my cell phone (587-282-0944) or by email ([jfaber@clearview.ab.ca](mailto:jfaber@clearview.ab.ca)).

## GRADE 1-2-3

Report cards went home last week for the grade 1, 2 and 3 class and everyone is doing very well. Parent-Teacher Conferences were Monday after school and will also happen today. If those days did/do not work for you, then please contact Miss Tracy and we will make a time that will work.

The grade 1, 2 and 3 did some editing today, we looked at piece of writing and found missing capital letters, missing punctuation and some spelling mistakes. The students are also reading and drawing a picture to show what the story was about, this is one way to show that they are comprehending what they are reading. The class continues to work on writing, handwriting and last week we made a Preciting Pirate because when we read we should be predicting what could happen next, that keeps us involved in what we are reading and keeps us comprehending as well. In math we are working on the adding on strategy, the grade 2 class is finishing pie charts and the grade 1 class is working on finding the bigger number, smaller number and equal numbers. In science we are talking about what things are made of and in social studies we have looked at the cordillera (mountain) and prairie regions of Canada.

## CURLING SEASON

There will be afterschool curling for any Gr. 4-9's students that are interested to participate again this year. It will be held on Tuesdays from 4:00-5:30 pm. Tentative start date is December 10th. Definite date will be announced when ice is in.

Interested Grade 6-9's will be made into teams to participate in CARA. The 4 & 5's are more than welcome to come to practices to learn the basics of curling.

Also Brownfield Community School will be hosting a Junior High Bonspiel this year. Date will be announced.

Anyone that is interested in volunteering to help out that would be great! The more the merrier!!

## Garbage Co-Op (Brownfield)

The Brownfield Garbage Co-Op has space for one or two families. We have a garbage bin in our yard that magically gets emptied every two weeks. We share the cost and convenience with a group of people. The cost does fluctuate; at last billing, it was about \$46 per month. If you're interested, contact Darolyn at 403-578-8432.
