Principal's Message

Term 1 is in the Books!

It has been a GREAT start to the 2024-2025 school year. I am proud of the work of our students and staff. I love seeing what the students are learning and the exciting projects that they are taking on. Our students are receiving incredible learning opportunities, and I believe that, together with our community, we are providing our children with a solid foundation from which to grow.

Child Struggling at School?

We love our students and want to see them succeed. If you have a question or concern, please don't wait. Reach out to your child's teacher or to me. We want to work with our families to help our students thrive.

If you have any questions or concerns, please don't hesitate to contact your child(ren)'s teacher or me. You can reach me on my cell phone (587-282-0944) or by email (jfabereclearview.ab.ca).

GRADE 1-2-3

The grade 1, 2 and 3 classroom is always a busy place but with the Christmas season and the concert approaching, it is extra busy! We hope to see you at the concert in December.

All three classes are making good progress with their printing and cursive. We continue to talk about predicting, we are reading, looking at words and their patterns, making words, talking about sentences, writing sentences and the grade 2 and 3 classes are editing and revising the sentences that they are writing. We are still working on sentences, but we are making progress. We have been learning about fairy tales with the kindergarten class and are very good at naming the characters, setting, beginning, middle, end and problem of the story; we have also talked about cause and effect.

In math we are learning/reviewing counting on and starting to work on doubles as an adding strategy. The grade 1 class is adding up to 10 and the grade 2 class is working on pictographs.

In science we are learning about different types of matter and what objects can be made from. In social studies we are reviewing the provinces and their capitals and have talked about the cordillera, prairies and arctic regions of Canada.

We continue to learn and grow and we have fun while doing it!

CURLING SEASON

There will be afterschool curling for any Gr. 4-9's students that are interested to participate again this year. It will be held on Tuesdays from 4:00-5:30 pm. Tentative start date is December 10th. Definite date will be announced when ice is in.

Interested Grade 6-9's will be made into teams to participate in CARA. The 4 & 5's are more than welcome to come to practices to learn the basics of curling.

Also Brownfield Community School will be hosting a Junior High Bonspiel this year. Date will be announced.

Anyone that is interested in volunteering to help out that would be great! The more the merrier!!

Garbage Co-Op (Brownfield)

The Brownfield Garbage Co-Op has space for
one or two families. We have a garbage bin in
our yard that magically gets emptied every two
weeks. We share the cost and convenience with
a group of people. The cost does fluctuate; at
last billing, it was about \$46 per month. If you're
interested, contact Darolyn at 403-578-8432.
