Principal's Message

Winter Wonderland

It's been fantastic to see the students enjoy the recent snowfall! I know it significantly complicates life for those with livestock, but the kids sure enjoy it! Mr. Gelderman has been teaching our grade 4/5/6 students about winter survival skills - which might just be an excuse to go play in the snow!

Annual Education Results Report

Over the past few weeks, I have worked on our school's Annual Education Results Report and Education Plan. These reports are guiding/planning documents for the next three years based on provincial data, specifically, the Accountability Survey and Provincial Achievement Test results. Last week, I reviewed these reports with our school council and published the report on the school website. In summary, the survey and PAT results are excellent! Our students, parents, and staff see Brownfield Community School as a safe and caring school that offers opportunities to learn, participate fully, and be supported through challenges. Well done, Brownfield students, families, and staff!

If you have any questions or concerns, please don't hesitate to contact your child(ren)'s teacher or me. You can reach me on my cell phone (587-282-0944) or by email (jfaber@clearview.ab.ca).

GRADE 1-2-3

The grade 1, 2 and 3 class are writing about Christmas. Yesterday and today we talked about our purpose and our audience and we brainstormed some ideas that we can put into sentences. We have been reading, practicing handwriting and editing sentences. Yesterday in math we stamped up a storm. We picked a number, grade one picked numbers from 1 to 50 and grade two picked numbers from 1 to 300, and then we used place value stamps to show what that numbers looks like. This is not only fun but shows the students how place value works and wh at it actually looks like. We continue to do Esti-Mysteries, Splats! and watch NumberBlocks. We are adding and using the strategies that we have learned so far. Our afternoons have been spent working on our play for the Christmas concert, which we are VERY excited about. We are learning, growing and having fun!

CHRISTMAS TREE BALL CRAFT NIGHT AT THE LIBRARY!

DECEMBER 11TH @ 6 PM

Cost is \$10 to cover supplies

Please bring your own glue gun & glue sticks if possible!

We will be making a Christmas tree craft out of Christmas balls, there are 3 different choices.

Check our Facebook page in the coming days for pics, we are just in the midst of making samples to photograph.

Please register with Darvy @ 575-0366 by December 4th so we know numbers.

Garbage Co-Op (Brownfield)

The Brownfield Garbage Co-Op has space for one or two families. We have a garbage bin in our yard that magically gets emptied every two weeks. We share the cost and convenience with a group of people. The cost does fluctuate; at last billing, it was about \$46 per month. If you're interested, contact Darolyn at 403-578-8432.
