Principal's Message

Buddy Reading

Every Tuesday, during our literacy period after lunch, the younger students read with an older student. I look forward to this block every week! It is so cool to see the older kids' leadership and mentorship and the younger students' growth and confidence. This is a little picture of one aspect that makes our school so awesome - the older students leading the way for the younger ones! Well done!

If you have any questions or concerns, please don't hesitate to contact your child(ren)'s teacher or me. You can reach me on my cell phone (587-282-0944) or by email (jfaber@clearview.ab.ca).

GRADE 1-2-3

The grade 1, 2 and 3 classes are working on assessments that need to be done for our school division and for the Alberta government. The goal is to be finished all of them this week. The students are doing well; they have a positive attitude and are trying their best. The assessments are not always easy, but we are excited for June to compare the assessments to see how much we have grown.

On Thursday we are going skiing and are excited about that. Next Friday because we have school we are going to have a special afternoon. Miss Tracy will send parents details in her weekly newsletter. Today was the 70th day of school and Zero the Hero brought us a 60 piece puzzle with the Canadian provinces, territories and their capital cities. The 100th day of school is quickly approaching-that is a GREAT day!

Garbage Co-Op (Brownfield)

The Brownfield Garbage Co-Op has space for one or two families. We have a garbage bin in our yard that magically gets emptied every two weeks. We share the cost and convenience with a group of people. The cost does fluctuate; at last billing, it was about \$46 per month. If you're interested, contact Darolyn at 403-578-8432.
