Principal's Message

Girls Place 3rd in Consort!

Congratulations on a great tournament in Consort last weekend. We're looking forward to the CARA tournament!

And I thought last week was COLD!

We've had a couple more cold weather days from the long weekend. Again, I am grateful to our families and staff for your flexibility. With some students present and others away, we've done our best to help all of them during this time. I'm sure looking forward to some warmer weather!

If you have any questions or concerns, please don't hesitate to contact your child(ren)'s teacher or me. You can reach me on my cell phone (587-282-0944) or by email (jfaber@clearview.ab.ca).

Jason Faber

GRADE 1-2-3

It was an absolute joy to see my students today-I have missed their faces. Today we got back into our routine and had a long awaited Valentine's Day party this afternoon. We have the kindergarten class with us in the afternoon, so they just joined us for some fun and games.

I have really been pushing the reading this semester and I am starting to see the results. I know that parents are busy, but if you can read three times a week with your child, that will make them even stronger and more confident. Today we went over the paragraphs that the whole class has written, and they are great! I am very proud of what everyone wrote. Tomorrow we will start to put them in a final good copy and publish them to the hallway. Tomorrow the grade 2 class will start to learn cursive- they are very excited. In math the kindergarten and grade 1 classes played a game with dice and counters. We matched the number of counters to what we rolled on the die, we added one to what we rolled and took away one from what we rolled- the numbers were flying! The grade 2 class is learning different strategies to add 2 digit to one digit numbers- right now we are learning mental strategies so that we can understand once we get to big numbers. Tomorrow is day 90 of school! We are learning, growing and having fun!

CURLING TEAM!

Thank you so much to the volunteers with curling this year! To all the parents that helped out at practices, drove to CARA, and supported your child this year. Also, thanks to the Brownfield Rec Board for letting us use the rink as well as getting it ready for us each week.

Special thank you to every student that participated in Curling this year! I am proud of each and everyone of you for how much you improved with your curling skills. We had a great group of kids that curled and they definitely made things easy for me and I look forward to next year!
