Principal's Message

WELCOME BACK!

The 2025-2026 School Year is here! I hope you enjoyed a fantastic summer – spending time with family and friends, enjoying the great outdoors and maybe taking on a project or adventure too!

Thank you to those who came out for our orientation night, Corn Cob Olympics, Welcome Back BBQ and Awards! It was a busy first week!

We are jumping into learning, and it is AWESOME to see our students working together. On Mondays, our older students read with our younger students in our literacy block. It highlights two of my favourite things – students learning to read and the care and community that our small school fosters! What a joy!

I am so excited to learn together this school year. If you have any questions at all, please reach out! The school phone number is 403-578-2247, my cell phone number is 587-282-0944, and my email is jfaber@clearview.ab.ca.

GRADE 1-2-3

The grade 1, 2 and 3 class is adding to our routine more and more every day. Sometimes we come to school tired, but we are having fun, learning and growing every day. Tomorrow we are going to start U.F.L.I. and that will help to make us stronger readers, writers and spellers. Today we did some work with subject and predicates, we also learned about nouns and did some handwriting. In math, the grade one class compared two numbers and wrote the smallest number first. The grade two class is building numbers to 100 with tens and ones blocks and also plotting those numbers on a number line with only a zero and one hundred! Today we will start some Health and Wellness outcomes with the kindergarten class. We will also talk a bit about living things in science. We are excited about the Cross Country Race in Burma on Thursday.
