Principal's Message

Volleyball and XC Success

Our student-athletes have done exceptionally well to start the fall. Congratulations to all of our XC runners on a great season so far. The XC team is headed to Hardisty this week. Our volleyball teams are also rolling. The girls have won their first two league matches, and the boys have a win and a loss so far - fantastic job!

Labour Uncertainty

Clearview will continue to monitor the situation closely and share updates with families as new information becomes available. You can expect communications through email updates and posts on the Clearview Public Schools website: <https://www.clearview.ab.ca/labour-action>

A Note From Mr. Faber

I love coming to school each day. Being a teacher is a wonderfully challenging, interesting, and fulfilling vocation. I consider it an honour and a privilege to teach at Brownfield Community School. The pending labour uncertainty saddens me, and I hope that any disruption is short. Thank you to all our families for your support and encouragement; I am truly grateful.

If you have any questions or concerns, please don't hesitate to contact me. You can reach me on my cell phone (587-282-0944) or by email (jfaber@clearview.ab.ca).

GRADE 1-2-3

The grade 1, 2 and 3 class had a wonderful long weekend. We started right in this morning with reviewing our vocabulary and then doing some writing. The grade 2 and 3 classes picked a topic and wrote 3 to 4 sentences about that topic while the grade 1 class drew a who and a do (subject and predicate) and orally gave me a sentence which made sense (I scribed). We also did handwriting, which is coming along nicely. We watched a story called Sylvester and the Magic Pebble and talked about predicting what happens next in a story. This story was pretty hard to predict, all of us were surprised. We did some U.F.L.I., and will do some social studies and science. In math the grade one class is counting to ten and the grade two class is working with numbers and tens and ones.

Parents, I have taped your child's computer password and some game passwords on the pocket of their agendas and will give you more information in the newsletter at the end of this week.
